I'll go with him where- ev- er he goes.

Before I got married I wore a black shawl,
 But after I'm married, I wore bugger-all.
 But still I love him, I can't deny him
 Oh I'll go with him, wherever he goes.

He stands on the corner, a fag in his mouth,
 his hands in his pockets he whistles me out.
 But still I love him, I can't deny him
 Oh I'll go with him, wherever he goes.
